Tatina suknja

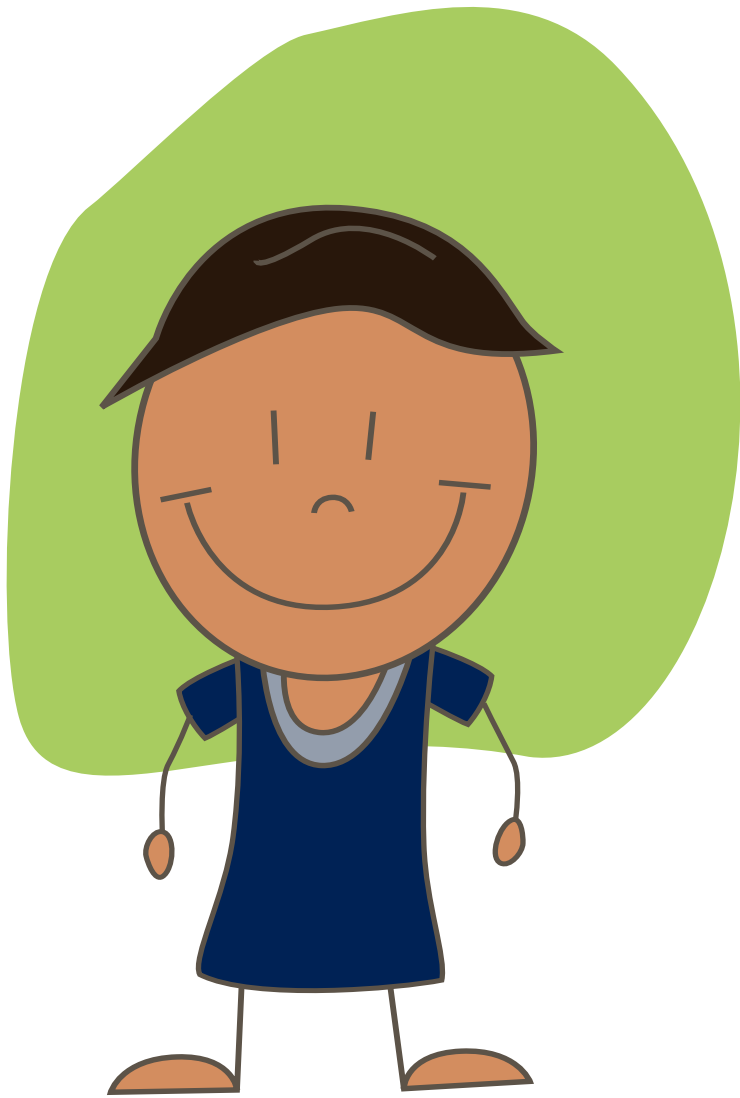

Tata ima
lijepu
suknju!

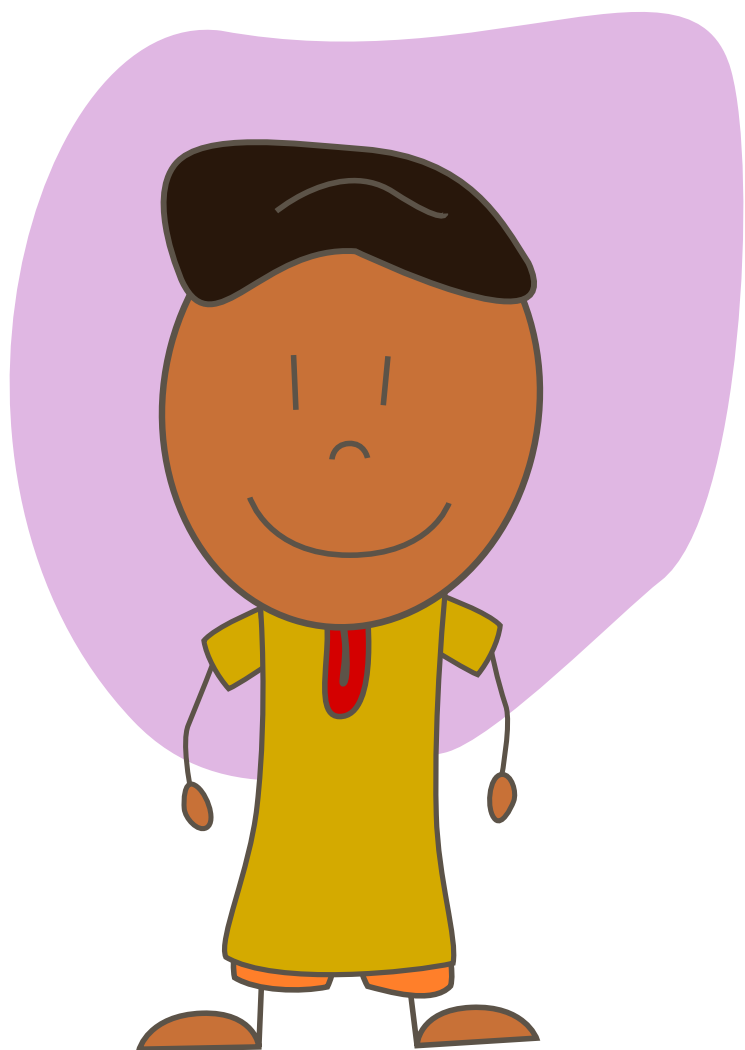

Nije poput
kimona u
Japanu,

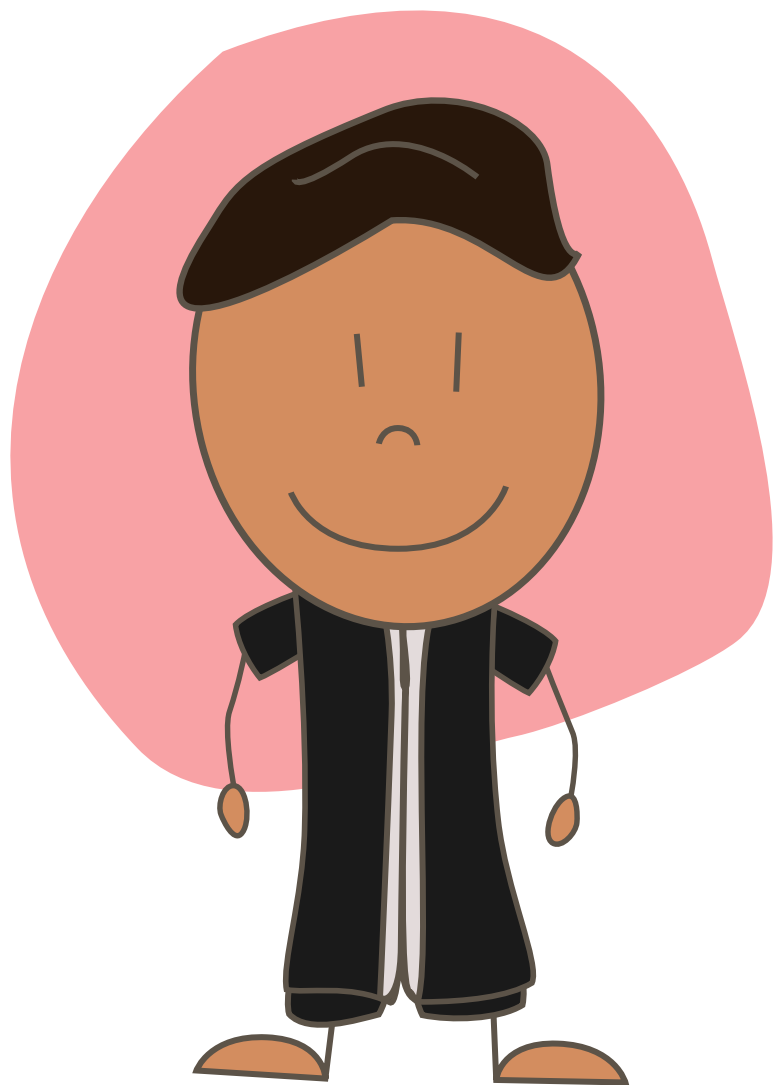

niti poput
kilta u
Škotskoj,

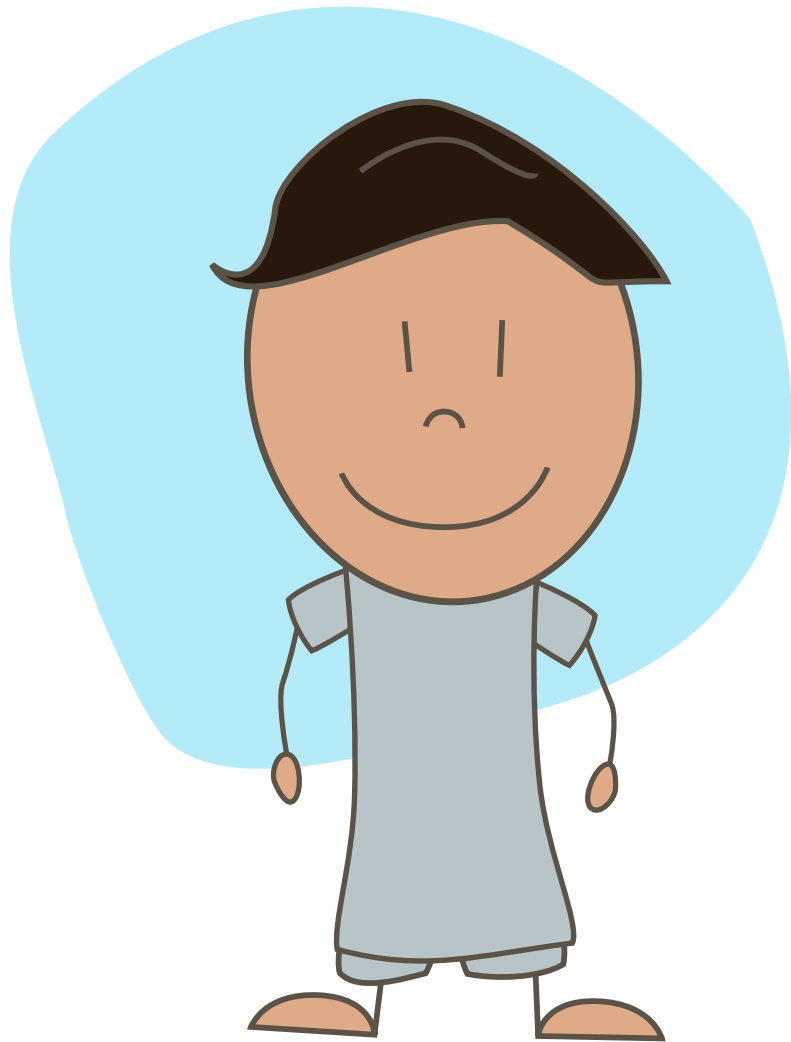

nije poput
dželabe u
Sjevernoj Africi,

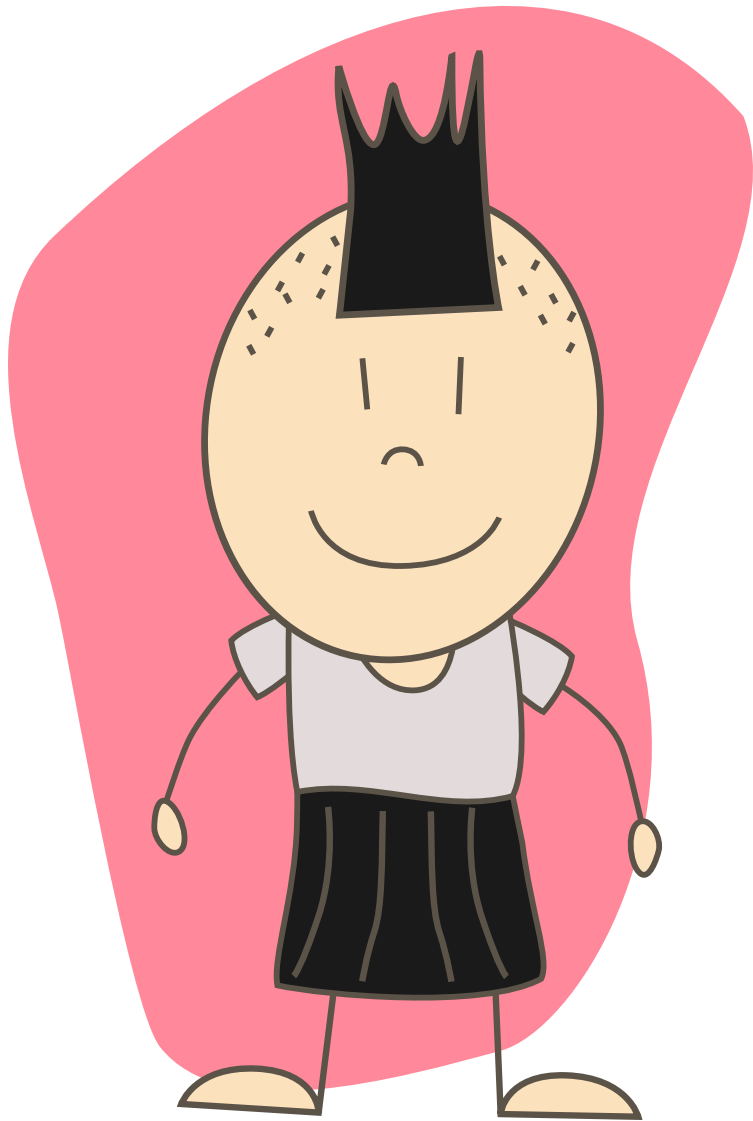

niti poput sarija
u Indiji,

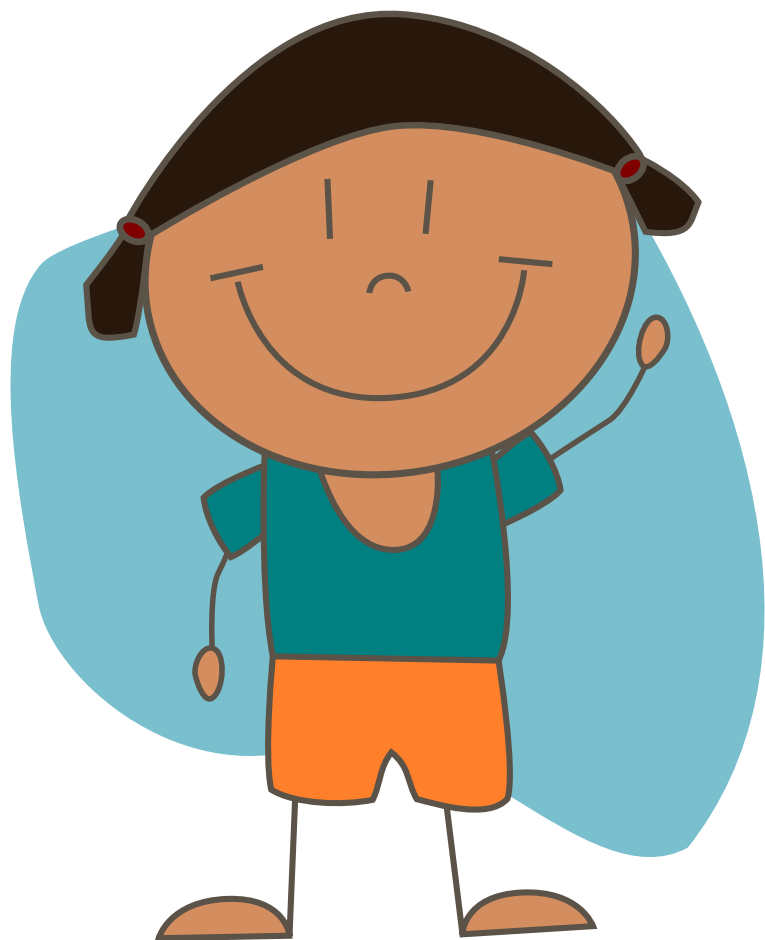

a nije niti poput
kaftana s
Bliskog istoka, iz
Magreba,
Srednje Azije,...

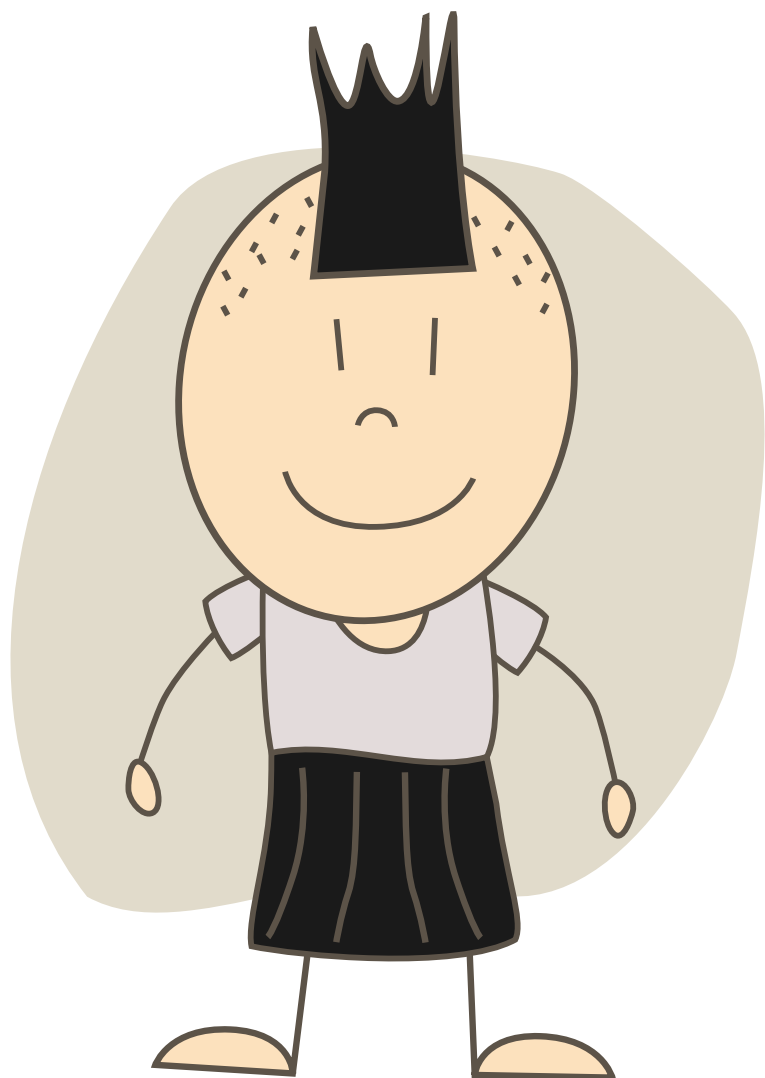

nití poput šalvar
kamiza u Južnoj
Aziji.

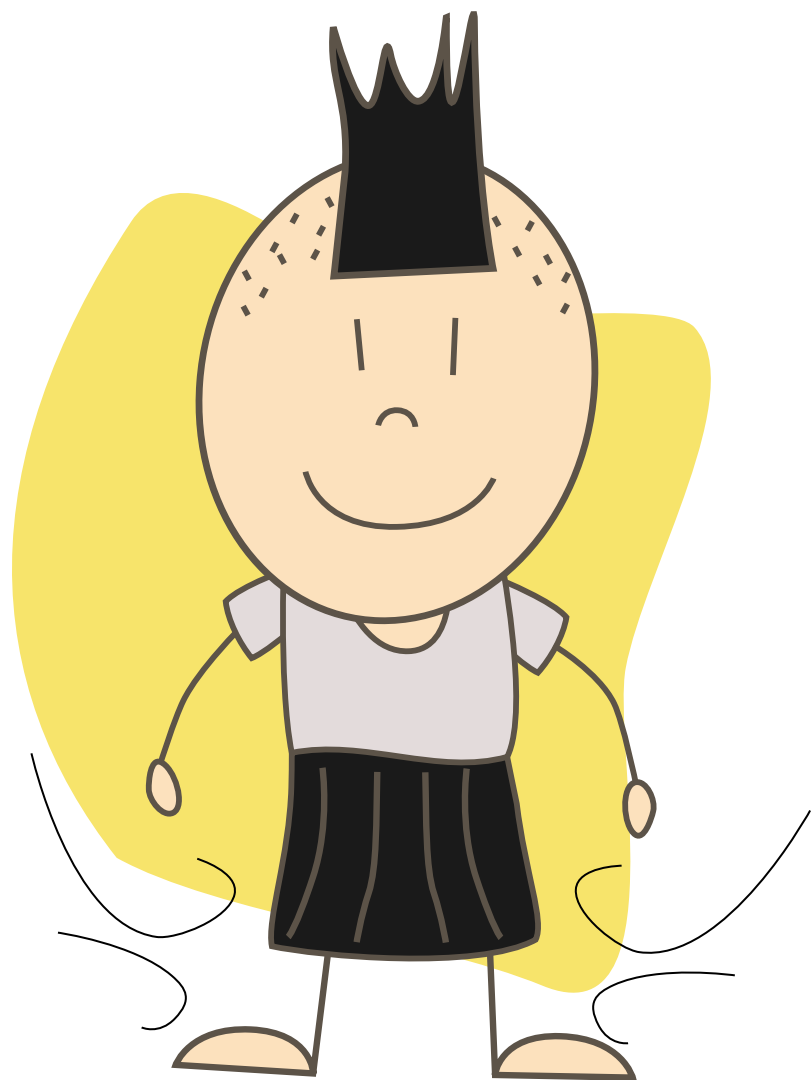

Tata ima lijepu
SUKNJU!

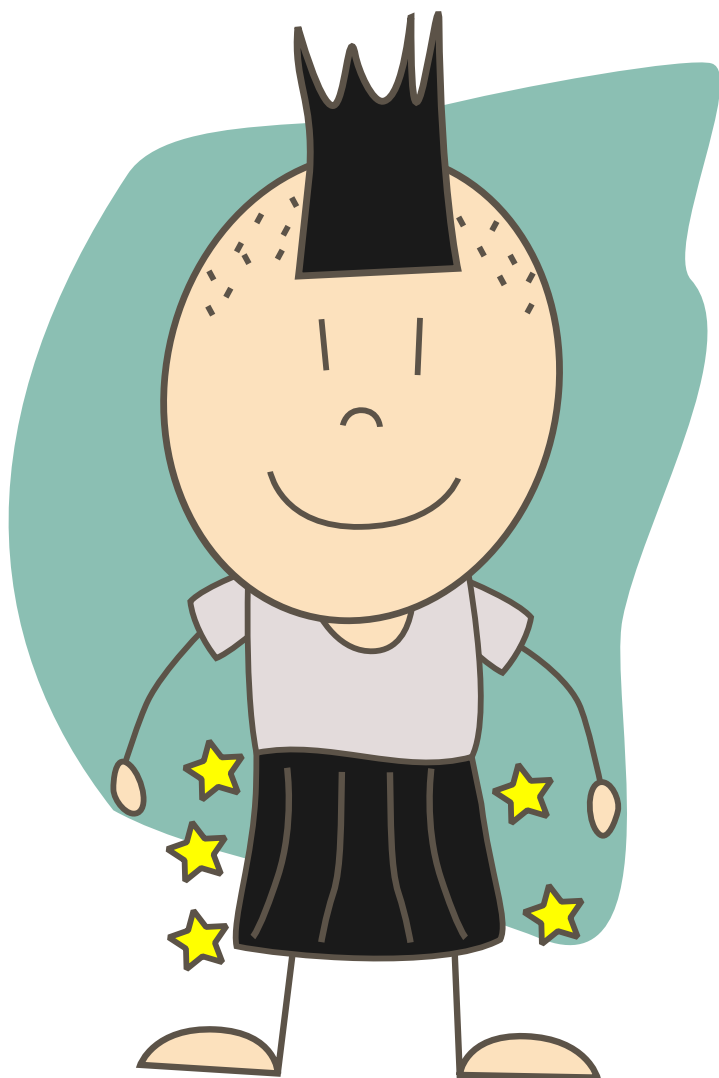

Tata kaže da su
se žene borile
za pravo da
nose hlače,

pa zato i
muškarc
moraju nositi
suknje!

Prozračna je i
lagana,

a najvažnije od
svega, sukinja
je prekrasna!
